Personal details removed for proactive release

I refer to your email of 4 October 2018 in which you request the following under the Official Information Act 1982 (OIA):

"...The annual cost of providing consular services overseas to New Zealanders? Perhaps in the year leading up to March 20?

Similarly, is it at all possible to please find out if Kiwis are ever transferred back to NZ to serve their sentence or deported back into the country at end of sentence?

If so, is it possible to quantify the number that have been transferred or sent back at the end of sentence in any way? Are there annual totals for this figure?

...double check if the information listed under sentence on the table below (in request email) is actually the possible sentence they could face, i.e. not the sentence passed? Information regarding the New Zealand citizens currently detained overseas notified to Ministry of Foreign Affairs and Trade Consular staff but up to current date?"

With respect to your request for the annual cost of the provision of consular services to New Zealanders, the annual cost of the Consular Services output expense is set out in the following table, as taken from Ministry of Foreign Affairs and Trade Annual Reports. Note that this output expense is the total cost of all consular services provided by the Ministry of Foreign Affairs and Trade including at our Posts (including relevant staff costs), not only the consular assistance provided to New Zealanders detained overseas. We do not keep a record of the costs on an individual basis or by type of assistance provided.

Financial year	2017/18	2016/17	2015/16	2014/15	2013/14	2012/13
	\$m	\$m	\$m	\$m	\$m	\$m
Annual cost of Consular Services output expense <sup>1</sup>	20.135	19.779	18.284	18.232	17.542	17.938

New Zealand does not have any prisoner exchange or similar agreements with other countries, and cannot accept the transfer of New Zealanders from overseas prisons to serve sentences in New Zealand prisons. We do not keep statistics relating to the movements of

<sup>&</sup>lt;sup>1</sup> The provision of consular and notarial services to New Zealanders abroad as at end June 2018

New Zealanders after they have completed prison sentences overseas or whether they are deported back to New Zealand.

Information relevant to your request for details of the New Zealand citizens currently detained overseas notified to the Ministry of Foreign Affairs and Trade is set out as Annex A. Details that could identify individuals, such as name, date of birth and prison name, have been withheld under section 9(2)(a) of the OIA, to protect individuals' privacy.

The sentence listed in the "Sentence" column (Annex A) is the term of detention Ministry officials have been advised the person will face.

Please note that this annex is not a complete and accurate record of all New Zealanders serving terms of imprisonment in overseas prisons. The Ministry holds information on New Zealanders who are being detained overseas only when we are notified of these circumstances and for the purposes of providing consular assistance to those individuals. Some New Zealanders choose not to seek consular assistance from us or we are not notified that New Zealanders are being detained overseas.

We also do not always receive information on the charges laid or length of sentence imposed, and some detainees may not yet have received sentences. The report in Annex A therefore includes a number of items that are 'unknown'. In particular, we do not regularly receive or hold information on the year that crimes are committed, the location the crime is committed, or the first year of the sentence. We do, however, receive information on the date of arrest, the type of sentence and the charges. Where we have this information, we have provided it to you in Annex A.

Details of specific services accessed or requested by each individual would capture information that would impact on the individual's privacy and we are unable to consult with all of the individuals to seek their views on the release of private information. As such, any information on an individual's interaction with consular services and any consular assistance provided to the individual are withheld under section 9(2)(a) of the OIA. Where information has been withheld under section 9 of the OIA, no public interest in releasing the withheld information has been identified that would be sufficient to outweigh the reasons for withholding it.

While we are unable to provide details of services specifically provided to individuals, we can supply information on the range of services we do provide. In particular we:

- advise family of the prison contact details and how they may communicate with the detainee;
- bring any medical or dental problems the detainee may have to the attention of the prison authorities;
- make periodic visits in countries where prison conditions are substantially different from New Zealand conditions, depending on the location of the prison; and,
- take up any justified complaint the detainee may have about ill treatment or discrimination with the prison authorities.

Further information on consular services we provide to New Zealanders detained overseas is provided at <a href="www.safetravel.govt.nz/arrest-and-detention">www.safetravel.govt.nz/arrest-and-detention</a>. Information on consular services we provide to New Zealanders travelling or living overseas is detailed on <a href="www.safetravel.govt.nz">www.safetravel.govt.nz</a>. New Zealand citizens living or travelling abroad do not have the right to claim financial assistance from the New Zealand government. For example, if a New Zealander is detained overseas and requires legal services, that cost must be covered by the New Zealander or their family and friends.

Please note that this letter (with your personal details redacted) and enclosed documents may be published on the Ministry's website.

You have the right under section 28(3) of the OIA to seek a review of this response by the Ombudsman.

Yours sincerely
